Lung Cancer fundraiser in support of Sunnybrook
Shotgun 8:30 am, Monday July 10, 2023
Granite Golf Club, Uxbridge, Ont

I was blindsided by a lung cancer diagnosis four years ago. My treatment and care at Sunnybrook Hospital has been tremendous and I want to help them continue their groundbreaking work.

We've raised \$340,000 over the past two years and intend to hit the \$500,000 mark in 2023. We can get there with your help.

By teaming up with the Granite, one of Canada's top private courses, we are offering sponsors and guests a memorable event.

Talk to me about any Sponsorship opportunity. Let's make a deal!
