Help Bev, the auctioneer – and Crush Lung Cancer!

Donate to our online auction supporting Sunnybrook Lung Cancer

Since 2021 we've been running a golf event and raising funds for our world-class Sunnybrook Hospital. This year we return to the Copper Creek Golf Course in Kleinburg, ON. We aim to 'sell out' the golf event and reach our goal of \$800,000 by the end of 2025. Our online auction is a solid part of our success story as it's popularity is growing every year.

We've built an extensive database of people across the GTA who bid on a variety of items over a 10 day period. The bidding is super professional and handled by a dedicated software that alerts people to their bids and its status. Items and images are expertly displayed. We handle everything for you - photography, logo placement and product copywriting. It's a win-win (you reach your community and Sunnybrook gets 100% of the winning bid).

We need your help.

May we ask for an item, service or gift card for our auction? Bidders love experiences - from concerts, to ball games, to theatre and dining ... really anything we all like to do. Popular past bids include hotel stays, ski passes, fitness classes, golf foursomes and even a Hayley Wickenheiser hockey jersey.

Talk to me or my teammates about making a donation. We're easy to deal with ... Learn more at bevcrushesit.com. Thanks for considering and may your item go to the highest bidder!
